

YEARLY STATUS REPORT - 2020-2021

Part A	
Data of the Institution	
1.Name of the Institution	Don Bosco College, Tura
• Name of the Head of the institution	Fr. Bivan Rodrigues Mukhim, SDB
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	9402152496
• Mobile No:	9435594511
• Registered e-mail	principaldbct@gmail.com
• Alternate e-mail	principal@donboscocollege.ac.in
• Address	Sampalgre, Chandmari
• City/Town	Tura
• State/UT	Meghalaya
• Pin Code	794002
2.Institutional status	
• Type of Institution	Co-education
• Location	Semi-Urban
• Financial Status	UGC 2f and 12(B)

• Name of the Affiliating University	NORTH-EASTERN HILL UNIVERSITY
• Name of the IQAC Coordinator	Dr. Arindam Ghosh
• Phone No.	
• Alternate phone No.	
• Mobile	7005243233
• IQAC e-mail address	iqac.dbc@gmail.com
• Alternate e-mail address	principal@donboscollege.ac.in
3.Website address (Web link of the AQAR (Previous Academic Year))	https://donboscollege.ac.in/public/frontend/aqar/EC_57_AA_18-dated-30-Nov-2011-Don-Bosco-College-Tura-Meghalaya-2019-20.pdf
4.Whether Academic Calendar prepared during the year?	Yes
• if yes, whether it is uploaded in the Institutional website Web link:	www.donboscollege.ac.in/public/frontend/calendar/DBC%20Year%20Planner%202020-21.pdf

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	2.45	2011	30/11/2011	29/11/2016

6.Date of Establishment of IQAC **01/12/2011**

7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Don Bosco College, Tura	Salary March 2020 to May 2020	Office of the Director of Higher and Technical Education Meghalaya	2020 3 months	1,29,88,180/-
Don Bosco College,	Salary June 2020 to	Office of the Director	2020 3 months	1,25,62,818/-

Tura	August 2020	of Higher and Technical Education Meghalaya		
Don Bosco College, Tura	Partial deferment of the salaries due to COVID - 19	Office of the Director of Higher and Technical Education Meghalaya	2020	12,57,549/-
Don Bosco College, Tura	Salary September 2020 to November 2020	Office of the Director of Higher and Technical Education Meghalaya	2020 3 months	1,25,72,238/-
Don Bosco College, Tura	Arrear Revised Pay	Office of the Director of Higher and Technical Education Meghalaya	2020	4,74,150/-
Don Bosco College, Tura	Miscellaneous Arrears	Office of the Director of Higher and Technical Education Meghalaya	2020	55,212/-
Don Bosco College, Tura	Marginally note grant-in-aid Bill	Office of the Director of Higher and Technical Education Meghalaya	2021	3,34,800/-
Don Bosco College,	Salary December	Office of the Director	2021 3 months	1,26,81,807/-

Tura	2020 to February 2021	of Higher and Technical Education Meghalaya		
Don Bosco College, Tura	Miscellaneous Arrears	Office of the Director of Higher and Technical Education Meghalaya	2021	11,05,960/-
Don Bosco College, Tura	Miscellaneous Arrears	Office of the Director of Higher and Technical Education Meghalaya	2021	17,98,324/-
Don Bosco College, Tura	Zonal Level Red Ribbon Club Quiz Competition 2020	Meghalaya Aids Control Society	2021	56,800/-
Don Bosco College, Tura	State Fund (additional fund)	Meghalaya Aids Control Society	2021	8,000/-
Don Bosco College, Tura	National Youth Day	Meghalaya Aids Control Society	2021	50,000/-

8. Whether composition of IQAC as per latest NAAC guidelines	Yes
<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File
9.No. of IQAC meetings held during the year	3
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes

Plan of Action	Achievements/Outcomes
To introduce KOHA open source software in the library	KOHA is now operational in the library
To fix fire safety pipe lines and equipment in the college campus	Fire-safety pipe lines and equipment successfully installed in the college
To start short term and bridge courses	Short term and bridge courses are yet to be implemented due to pandemic situation.
Refurnishing of science laboratories	Chemistry and Zoology laboratories had been refurnished, but, Botany and Physics are in progress
Training of faculty for efficient use of ICT technologies	Training cum Workshop was conducted on the efficient use of ICT technologies for the faculty
To encourage teachers to participate in Rc, Oc, FDP, MOOCH, MOODLE, short term courses, etc.	Most of the teachers have participated participate in Rc, Oc, FDP, MOOCH, MOODLE, short term courses, etc. in Online mode.
To encourage various departments to conduct national and international level seminars/webinars and other programmes	The Department of Physics organized International Web Conference on Basic Sciences and department English too organized and International Webinar. The departments of Chemistry, Education, Political Science, Economics, Sociology, Philosophy also have conducted national webinars.
13. Whether the AQAR was placed before statutory body?	Yes
<ul style="list-style-type: none"> • Name of the statutory body 	

Name	Date of meeting(s)
Management and IQAC	14/12/2021

14. Whether institutional data submitted to AISHE

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The College is affiliated to North Eastern Hill University (NEHU), Shillong. The College duly follows and implements the curriculum prescribed and set by the University. The College prepares the Academic Calendar based on the calendar received from the University. The calendar is prepared for the whole college keeping in view the various departmental activities and maintained and followed by each department accordingly. At the beginning of the year, the Principal holds a meeting where the academic calendar and syllabus unitization for the year is discussed and a plan of action

is formulated. There is a regular meeting of the management and the head of departments to discuss the progress and next plan of action for the effective delivery of the curriculum. Due to the Covid-19 pandemic and lockdown imposed by the State Government, regular offline classes could not be held for the entire year of 2020 and half of the year 2021. In order to ensure that the learning process continues, the college has adopted online mode as a method of delivering education. The College has used Google Meet App in order to conduct online classes. The teaching faculty facilitates the teaching-learning process by using Google Classroom, WhatsApp, email, etc.

File Description	Documents
Upload relevant supporting document	View File
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The College strictly adheres to the Academic Calendar prepared by the Academic Committee based on the calendar received from the University, with dates set and fixed for the internal exams, external exams, and extracurricular events. Out of the total 100 Marks, 25 Marks are based on Internal Assessment conducted by the College where 10 Marks are allocated for Assignment and 15 Marks for Internal Tests. The Attendance Monitoring Committee of the College regularly monitors student's attendance and the admit card for the end-semester exams is issued only to those students who fulfill the required minimum attendance. Special attention is given to cater to the needs of both the slow and fast learners. In the first week of every academic session an orientation course is conducted for the first semester students, to ensure that all the students share the same knowledge levels and everyone is at par with each other. Once the year commences, the teachers identify the slow learners and fast learners through direct and indirect assessment and take remedial classes (wherever feasible) for slow learners and arrange for additional support for advanced learners.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

The College strives to provide a holistic education for the all round development of the students. It offers several courses which integrate crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into its Curriculum. The College offers various courses which have contents related to gender inequality, status of women, ethics and moral concepts such as good, right, duty and virtue, role of education in the development of human values, human rights education, sustainable development, human rights, value education, environmental ethics, role of individual in prevention of pollution, conservation of natural resources, conservation of natural resources, resources and their management with a view to integrate cross cutting issues relevant to gender, environment and sustainability, human values and

professional ethics into the curriculum. In addition to the different courses it offers, the College has Green Club, Women Cell, and Anti Ragging, Dress Code and Discipline Committee which are entrusted with the task of creating awareness among the students on issues related to gender, human values and environmental issues making them socially responsible citizens. The NCC and NSS unit of the college conduct programs and activities which address issues related to gender, human values, environment and sustainability.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The admission policy of the college is deliberately made liberal (no cut-off marks for admission) so as to cater the students coming from the rural areas besides the students of Tura town. This is also because it is the only deficit college in town to offer Science and Commerce programs along with Arts program. In the previous years, entrance tests were conducted for students below a certain minimum threshold of marks to ensure a merit-based admission process as well as to test the apparently slow learners on their inclination and to recommend remedial measures but no such practices were conducted in the present session due to the pandemic. To provide ample opportunity for learning, the library remained open for certain hours even during the pandemic. Regular mentoring, both group and individual are conducted to assess the difficulties faced by the students in their learning and to suggest methods to overcome them. Departments are encouraged to organize seminars where the slow as well as the advanced learners get to develop their presentation skills and also to familiarize them with the usage of various online mediums. The topics chosen are from within the syllabus which has further utility in their semester exam preparation.

Any additional information	No File Uploaded

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

With the advancement in technologies even the teaching methods are also evolving. With rapid change in technology, the institution is also coping with these changes. The students of the institution are prepared to face these challenges. In addition to traditional chalk and board methods, the institution is adapting to various ICT methods. For experiential learning, students are taken on field trips and study tours. Various local environmental problems are made to address by Final semester students of all streams by assigning them topics that requires site-visits which are done by the individual students themselves. Before the pandemic, students were encouraged to participate in various academic events such as Consumers' Day, National Science Day etc. Open book class assignments are used by many teachers as a method to boost the problem-solving methodologies of students and at the same time learn the social skill needed to work in groups. Students are also encouraged to make class presentations on topics from their respective syllabus.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

A survey was conducted to assess the use of ICT by the faculty and all respondents indicated use of multiple ICT tools like presentations using LCD projector, online video conferencing, mobile apps, blended learning platform like Google Classroom etc. The increase in the use of ICT by faculty is probably an outcome of the restrictions imposed on more traditional methods due Covid-19 pandemic; the faculties have tried to adopt a balanced approach keeping in mind the probable limitation of resources in students, a substantial chunk of whom are from rural areas.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in

time. The Principal holds meetings with the faculties and directs them to ensure effective implementation of the evaluation process. Students are assessed continuously through various evaluation processes such as Internal Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Students appearing for 5th and 6th semester are asked to deliver the seminars of the concerned subject. Topics are given by their teachers to the students to prepare for power point presentation.

For transparent and robust for internal assessment, the college has well-placed Internal Examination Committee, Internal Question Paper Setting by departments, Conduct of Examination under able supervision, Result display, Interaction with students regarding their internal assessment.

The method of internal assessment helps the teachers to evaluate the students more appropriately. Due to internal assessment, the interest of the student towards learning and attending the classes has been also increased. It has created the interest among the students to take active participation in various co-curricular and extra-curricular activities for their overall personality development. The seminar presentation improves the communication skills of the students.

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal assessment test schedules are prepared by the college and communicated to the students well in advance. To ensure proper conduct of the internal tests, minimum two invigilators are assigned to each hall from each department. Evaluation is done by the faculty members handling the course within a week from the date of examination. The corrected answer scripts at random are verified by HOD to ensure the standard evaluation process. Any corrections in the total of marks or assessment of answer scripts as identified by students are immediately done by the faculty members. Any student who is not satisfied with the assessment and award of marks may approach the concern HOD who can intervene and seek opinion of another course Teacher. The grievances during the conduction of internal examinations are considered and discussed in consultation

with the Principal and the examination committee.

If a student is not able to appear for examination due to medical or any genuine reason examination is conducted for that student, provided that he/she submits application with proper documents. The Institute follows open evaluation system where the student performance is displayed on the notice board.

Link for additional information	Nil

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Although an affiliated college, the college is not directly involved in the process of syllabus preparation, but the college has in consultation with the faculty identified a list of skills and outcomes that a student on undergoing a particular programme for three years or a paper for one semester is likely to achieve. Apart from the marks obtained in the exam, this will help in the self-evaluation by the students as to whether they have achieved the promised outcomes after the completion of the course.

The PO and PSO are prominently shown in the website of the college, whereas the COs are communicated directly to the students in the class.

The CO are also kept along with a copy of the syllabus in the college library and are also displayed in a prominent location in the department.

The college ensures that the listed outcomes are achieved to the maximum extent and teachers are encouraged to monitor the progress in the achievement of the set goals through class assignments, class quizzes and internal tests.

File Description	Documents
Upload any additional information	No File Uploaded
Paste link for Additional information	Nil
Upload COs for all courses (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college uses the results obtained by the students in their internal tests as an objective measure of the attainment of the PO, PSO and COs by the students. However, the ultimate yardstick for the assessment of the learning outcomes of a student remains his/her performance in the final examination of the university. Post declaration of results, analysis is done to delineate strengths and areas that need strengthening. Subjective measures like the interactivity of the students during class teaching and/or quizzes are another way to ascertain the level of attainment by the respective teachers.

Other means of qualifying the level of attainment of students is through academic activities like class work, homework, assignments, student seminars, which are a regular feature of the academic activities of our college.

Post the assessment by a teacher, if and when requirements are felt, remedial measures like review classes, re-discussion on the relevant topics are conducted by teachers.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The current year saw a significant change in the way the extension activities are carried out by the Institution through NSS and NCC units of the college to adapt to the changes caused by the pandemic to deal with the social issues and bring about holistic development in the students of the college. National Service Scheme of the College organized the following programmes: a National Webinar on the theme 'Relevance of Mahatma Gandhi for the Youth of Today' 3rd October 2020; World Earth Day was observed on 22nd April 2021 by NCC Unit which makes them aware of the climate change and its effects; Observation of Swarnam Vijay Varsh to commemorate the Golden Jubilee of India's victory in 1971 war by NCC cadets of the college instill a sense of patriotism and sacrifice for one's country in their young hearts and teach them about courage and bravery in the midst of chaos of society. Covid-19 Awareness Program cum Cleaning Drive at Babadam village by NSS volunteers inspires the students to adapt to the changing scenario and how to play a significant role in the society and help them develop life skills and leadership quality.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Don Bosco College, Tura is run by the Salesian Congregation whose founder Don Bosco used to urge his students "Run, jump, shout, but do not sin." The college believes in the all-round development of its students and believes that recreation grounds are places of physical relaxation, recreation and contribute greatly to sound personality development. Sports and games, both outdoor and indoor go a long in developing healthy mind in a healthy body. Accordingly, the college has made all efforts to provide recreational spaces for its students. The most prominent edifice in the college campus after the college building itself is the amphitheatre surrounding the basket ball court on three sides. Most of the cultural activities

take place in the amphitheatre. There is a permanent Sports and Cultural Committee in the college and they make maximum use of the amphitheatre. The amphitheatre is most alive during college week days when one event after another is conducted here. Students get the opportunity to showcase their talents in singing, dancing, acting and even their fashion sense in this space. Besides this, there is a gym, and sizable space for indoor games. Academic programmes like seminar, debate, elocution are held in the seminar halls.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Library is integral for academic excellence. The main objective for setting up of library is to facilitate effective use of learning resources and to support the objective of the college.

The college library was established in 1989 and started with a few books donated by well wishers. The present library comprises two rooms: book room and reading cum reference room with a seating capacity of fifty users. The users include students, lecturers, research scholars and some visitors from other institutions. It is the nerve centre for reading and copying.

There are sixteen computers in the library; twelve for students one for the lecturers/research scholars and three for the librarian with internet facility. One photocopier machine and one computer printer is also installed to meet the requirements of the reader. The question papers of previous years in both soft and hard copies are also available in the library for reference by the students. The notes prepared by lecturers on different topics are also available in the computers.

The library houses a huge number of books collected over the years, which are categorized into reference books, book bank, and special or rare collection. The college has initiated the departmental libraries as an extension service of main library. There is a designated lecturer in charge of maintaining and issuing of books in the departmental library. The departmental collections are further enriched by personal books contributed by lecturers. The college can boast of collection of books on North East region, including those by local authors which helped immensely in research works.

The college subscribes to the Nlist and the subscription has been renewed till 2020 for accession of e-books or journal. The e resources of 32 GB donated by a well-wisher are also available for reference. Magazines and youth magazines are subscribed to inculcate the reading habits in the students. Journals are also subscribed for the benefit of research scholars who are pursuing research work in different fields. The library also houses a good number of reference books for competitive exams. The library maintains partial open access to teachers and students. The user is allowed to browse through shelves and retrieve the books whenever required. The Reference Books are allowed to study inside reading room and to photocopy if necessary.

The library has installed KOHA 18.11.00.000 Software in the year 2020 which is found to be simpler for issuing/renewing and recording the catalogues of books, members etc. Students can check the availability of books in the library without much hassle. The library is expected to use barcode reader for issuing and renewing of books from the next academic session.

The newly constituted Library Committee comprises the Heads of Departments, the Principal and the Assistant Librarian. The Library Committee looks after the welfare of the library, offers suggestions and support for a more efficient library service. Construction of a bigger library on the ground-floor is on the anvil.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

IQAC ensures the updation of the IT facilities in the Institute. Following are the computer and internet facility made available to the faculty and students on and off-campus:

- Internet facility through Local Area Networking (LAN)&Wifi

connectivity.

- Fully automated office
- Computerized office management system.

The laboratories and classrooms are equipped with projectors which help in delivering an effective teaching. Students and teachers can avail of the facility of internet so as to keep themselves updated with the latest developments in their respective areas. The teachers adopt various strategies in order to ensure a better teaching-learning process. Usage of projectors is in place to deliver effective and at the same time enjoyable learning experience to the students. Unlimited Internet facility is available in the library and also in the campus through Wifi which enables the students to get access to a variety of learning materials online. The office and department computers of the college are regularly updated and latest antivirus devices are installed to keep the systems run at maximum capacity. The college has two professional staff to maintain the computers, Office automation software & website in the college. The Institute has fibernet connection with a speed of 50 MB/s and the Institution consumes around 100GB a month. The library and the administrative systems are fully automated. An IT team is also available in the campus which helps in any ICT-related need.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college has established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, and class rooms. These form part of the expected behavioral conduct and are associated with entry-exit, duration of use, maintenance, accepted forms of behavior in these spaces, etc. In general, good conduct and adherence to discipline is expected in all when these spaces are in occupation or in use. Laboratory, library, sports complex, computer rooms and class rooms are spaces that impart direct education. Sports complex is a very important component of Don Bosco system of education. These spaces are maintained clean and tidy so as to uplift the teaching-learning that is imparted and received here. Each of these spaces require systems and procedures that are common but at the same time distinct from each other. The College has established separate systems and procedures for maintaining and utilizing these physical, academic and support facilities which are

uploaded in the College Website.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The College has a Student Welfare Association (SWA) which is actively engaged in all the activities of the college. The President and Vice President of the Students Council are invited in the meeting of the Academic council of the college whenever necessary.

In the administrative bodies the students of the Council are also actively involved in conducting various activities. The college tries to actively engage the student council members to develop their leadership qualities and to develop students' sense of belonging.

They assist in maintaining discipline in the college by helping the teachers.

They are actively engaged in maintaining cleanliness in the college by motivating all the students to throw waste materials in the right places.

With the guidance of the teachers they conduct the Fresher's social, Parting social and College Week. They organize the Teacher's Day programme all on their own and cook sumptuous meals for the teachers at the same time.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

An Alumni Association is an association of former students of the college.

The Alumni Association of Don Bosco College, Tura was first formed on 25th February, 2011 as a local unit. A good number of past pupils have registered as members of the association with a sum of Rs.100 as a membership fee. The Association conducted the election and the office bearers were selected.

Though the Alumni Association was not much functional for the next five years, a meeting of the Association was organized on 2nd August, 2016. New office bearers were elected after fresh election. The motto of the Alumni Association was decided to be the one given by Father and founder, Don Bosco,

" KNOW, LOVE, HELP ONE ANOTHER AND KEEP UNITED".

The financial contribution of the Alumni Association to the institution during the last five years was less than a lakh. The Alumni association has 368 registered members. The total bank balance of the Alumni association was Rs. 23,444.00 as on 31st March, 2021. The college is planning to put more emphasis on the expansion of the Alumni association.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION

"Inspired by the benign and noble teachings of the Lord Jesus Christ who said,

"I am the Way, the Truth and the Life," and guided by the educational philosophy of St. John Bosco, the college has the avowed vision of bringing holistic, quality higher education within the reach of all."

MISSION

"To provide an education that is participatory in nature, intellectual competence, multi-skill oriented, value based and socially committed for the development of persons and enrichment of society."

COAT OF ARMS

The Coat of Arms of the college contains the motto of the college, "In Pursuit of Excellence" and three distinct components - sun, eagle and mountains. The radiant sun is the source, the giver that

bestows light, energy, inspiration and divine guidance. The soaring eagle is the seeker that looks for all that is good, noble and uplifting in the world of knowledge, skills and values. The green mountains and valleys represent the process whereby the seeker ascends, descends and strives until he/she arrives at the top. True to our motto, we are passionate about excellence in every sphere of our academic, professional and social life.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

CASE STUDY OF THE ANNUAL COLLEGE WEEK

The Annual College Week reflects the decentralization and participative management practiced in the institution. The decision to organise the Annual College Week is taken by the Academic Council where the date is fixed and later the Games and Sports Committee along with the Students Welfare Association (SWA) of the college is entrusted the responsibility to organize the same. The students, teachers and non-teaching staff work together in managing the events. The committees of the college week supervise the division of the various events. The teachers execute his/her tasks effectively. Each event is supervised by a teacher and co-coordinators to assist the supervisor and 2 SWA members. The Finance Committee allocates and disburses funds to the various events based on the budget prepared by the event supervisor. The Games and Sports Committee prepares a chart for various events and the person in charge (including teaching and non-teaching staff) and puts up on the notice board. The opening and closing ceremony of the college week is looked after by the Literary, Social and Cultural Committee.

Thus the effective leadership is visible in this college week such as decentralization and participative management.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Organising of National and International Seminars and Webinars

Organising of seminars and webinars by the various departments help an individual teacher expose to various topics through presentations and discussions and an ideal opportunity to equip oneself with wide range of knowledge in a specific field. It also helps to fulfil professional and academic goals.

Webinars are the latest term employed by most of the teaching-learning institutions. It helps the teachers to update their skills with the recent trends and technologies related to their respective fields. As there is an ample opportunity for the participants to attend webinars simply from home without spending money, it really benefitted the teaching faculties.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The College organization is composed of the Governing Body, The Academic Council, The Heads of the Departments, the IQAC and the College committees.

The Governing Body is responsible for policy making and strategic plans; while the Academic Council is responsible for proposals of the policies and plans for taking appropriate decisions. The Heads

of the Departments are responsible for the implementation of the decisions in the department and reports to the academic council. The Internal Quality Assessment Cell (IQAC) is constituted in the institution under the chairmanship of head of the institution with teachers of academic unit and one or two members from administrative units and a few teachers and a few distinguished educationists/representatives of local committee. The College committees are formed with convenors and it member to cater to the needs of the academics and non-academics.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

Don Bosco College, Tura has well-placed Welfare schemes for Teaching Staff. To begin with the College maintains Contributory Provident Fund (CPF) and Public Provident Fund (PPF). In order to aid the staff in times of dire need, there is provision for Loan facilities from the bank through Principal's recommendation to the bank and

Loan facilities without interest from the Principal. The College also provides stimuli for advancement in academics among the teaching staff by offering incentives for College Financed teachers with B. Ed, M. Phil, Ph. D, NET. In a bid to keep abreast of the information technology and learning the college provides Wi-Fi facility to the teachers and the non-teaching staff. Other welfare schemes offered by the college include (i) Maternity Leave, (ii) Staff quarters, and (iii) Medical Care offered by the college in the forms of Eye Camp, Oral Checkup and other Medical Checkups

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institution has performance appraisal system for both teaching and non-teaching staff. Feed back in the form of questionnaires is prepared by IQAC and circulated to students of all the semesters. The students evaluate the performance of the teachers on various parameters. Besides, the Principal and Academic Council hold a meeting to analyze the result for every semester. The IQAC regulate,

monitor and conduct Administrative & Academic Audit (AAA) to evaluate the performance of the department and the individual staff members.

With regards to the Semester Examinations, the Principal holds a meeting with the Academic Council to review and analyze the performance of students after the declaration of each semester results.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The College has worked out a resource mobilization policy and procedures in order to aid functioning and development of the institution. The college management collects development fees from students for college development needs. The college also mobilizes financial resources by renting DBCTE Seminar Hall and Basketball Court. Besides the above, the College also rents its Computer Centre to other institutions like Sikkim Manipal University, State Bank of India, Medical Departments etc. for conducting their exam. All the contributions and payments accruing from various sources are properly accounted.

The college also generates its revenues from Rubber Plantation. 5000 rubber trees were planted and the tapping of latex was done from the year 2018 and the management could generate Rs. 5 lakhs. In addition, the college also avails of the Chief Minister's Funds for excursion. The College gets small fundings to celebrate various International days. For instance, the Social Welfare Department, Govt. of Meghalaya financially assisted the college for the celebration of International Women's Day. The District Administration too allotted some funds to observe the World Environment Day.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The two practices institutionalized by IQAC are:

1. Organising of National and International Seminars and Webinars

Organizing of seminars and webinars help an individual teacher expose to various topics through presentations and discussions and an ideal opportunity to equip oneself with wide range of knowledge in a specific field. It also helps to fulfil professional and academic goals.

Webinars are the latest term employed by most of the teaching-learning institutions. It helps the teachers to update their skills with the recent trends and technologies related to their respective fields. As there is an ample opportunity for the participants to attend webinars simply from home without spending money, it really benefitted the teaching faculties.

2. Encouraging of Faculty members to participate in online FDP, RC, OC, MOOCS, MOODLE

IQAC encourages the faculty members to participate in various FDP, RC, OC etc. so that it not only helps to gain their knowledge in their own disciplines but also to obtain wide information on various pedagogy, creating LMS and sharing ideas through participation in short term programs.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	View File

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The key function and role of IQAC is to ensure, monitor and regulate the mechanism of providing quality education to the students through effective pedagogy. The institutional reviews are obtained by conducting Academic Audits and by collecting feed-back from students and teachers.

To begin with the IQAC Conducts Annual Academic Audits, wherein

departments make an analysis of their Strengths, Weaknesses, Opportunities, Challenges (SWOC) of their performance based on students' results, any research projects taken up, course coverage and use of ICT-related pedagogical methodologies. Based on the audit, the Academic Audit Coordinator and IQAC gives constructive feedback to the Departments suggesting measures for internal quality enhancement.

In addition to this, feedback from stakeholders like students, and staff to facilitate teaching-learning reforms are procured which helps in obtaining an honest reflection about the teachers and the coverage of course contents especially in academics. Student feedback on teachers is conducted regularly. A careful analysis of the feedback received is done and communicated to the teachers to enable them to improve in the required area. The implementation of the above two practices help the departments as well as the institution to bring about reforms in teaching-learning process, structure, methodologies and learning outcomes. IQAC suggests innovative pedagogical methodologies

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute conducts regular gender equity promotion and gender-sensitization programs in various ways. The most relevant of such programmes is the celebration of the International Women's Day by the college, International Women's Day was celebrated on 8 March, 2021. On the occasion, the services of two women who the College Maintenance Staff - Smt. Lakji Sangma and Justa M. Sangma were acknowledged and they were given special honour as Chief Guests of the function. Tokens of appreciation were also given to them.

Gender sensitivity is an inherent value in the cultural ethos of the institute and its neighboring community, as is evident by the following facilities -Security guards at the college entries. Extensive surveillance network with 24x7 monitored control rooms. Strict implementation of Anti-Ragging, Anti-Smoking, No Eve-Teasing and Mobile Free Campus. Separate hostels for women with dedicated wardens.

- The separate common rooms have been allocated for women in the college.

Additional initiatives ensure active participation of students in cocurricular activities including sports, quiz competitions, etc.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Don Bosco College Tura has reliable system for the management various types of wastes. The college has segregated waste into one part: College facilitates several techniques for the management of degradable and non-degradable waste. The college has waste-baskets for collection of various wastes like papers and food-packages, etc. There is a committee that deals with the minimization of wastes. Every day the waste is collected in bins and disposed at a place where it can be converted into manure.

For solid waste management different bins have been placed at different departments. This ensures that solid waste segregated at the source. It is also ensured that the recycling of all these components is done in minimum cost and labour. Suitable techniques are applied for disposing of solid waste. The garbage generated is preferably treated at the site of generation.

The college has set up a recycling programme to meet the need of recycling the waste. The college is trying to get in touch with the

top level administration and their support to ensure that the waste is properly recycled. Moreover, the college is also looking for the possible substitutes to deduce the waste to the best possible extent.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college makes efforts and takes initiatives in providing an inclusive environment- resulting in tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities. Such efforts and initiatives get translated programmes detailed below: (i) 5 NCC Cadets from the college participating in the Online Ek Bharat Shrestha Bharat Camp on 6 and 7 July 2020, initiated by NCC Directorate North Eastern Region in collaboration with the NCC Directorate, Delhi being the Guest State. (ii) The NSS Volunteers of Don Bosco College organized an awareness programme on Covid 19 and Japanese Encephalitis (JE) collaboratively with the Babadam PHC at Chibrasongma village on the outskirts of Tura Town on 2nd October, 2020. (iii) Cleanliness Drive was also carried out in Chibragre Picnic Spot by the NSS volunteers. (iv) The NSS of Don Bosco College, Tura organized a National Webinar on the theme 'The Relevance of Mahatma Gandhi for the Youth of Today' on the 3rd of October 2020 and (v) "Interactive Session" with Shri Ram Singh, IAS, Deputy Commissioner, West Garo Hills and Shri Jagdish Chelani, SDO, Dadengre Block West Garo Hills and the faculty members from Science Stream of the college on 11 March, 2021.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The Institution endeavors to inculcate values that will help students to become responsible citizens as reflected in the Constitution of India through programmes where the students of the college participated with great enthusiasm; such as- (i) Red Ribbon Quiz Competition organized by the Meghalaya Aids Control Society on November 11, 2020 and 18 November 2020, (ii) A training programme from 22nd to 26th February, 2021 by Meghalaya Battalion at Shillong for all NCC cadets. (iii) The election SWA (Students Welfare Association) leaders whereby the student body gets a share in the duties and responsibilities of the College. (iv) Cleanliness Drive of the Garo Labour Corps Memorial monument at Babupara, Tura on 15

August, 2021 by the NCC Unit of Don Bosco College, Tura. (v) A short farewell programme was organized for the outgoing NCC cadets on 27 September, 2021 as a token of appreciation for the services rendered by them.

The sense of responsibility of the college is proved when the college received the award "One District One Green Champion" from the Mahatma Gandhi National Council of Rural Education under the aegis of the Department of Higher Education, Ministry of Education, and Government of India for a green and clean campus.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice-1

1. Title:

Knowledge/Teaching-Learning Generated by the college during the Academic Period affected by the Pandemic

2. Objectives:

The objectives of the Best Practice 1 were to keep teaching-learning in process, to make the teachers and students keep in touch with various academic areas by conducting webinars on various topics mentioned below. The Covid-19 Pandemic gave rise to a lot of questions and the college made efforts to create greater awareness about the ongoing Covid 19- Pandemic, the recent advances in Science in general, to get acquainted with new technological knowledge and with technology comes innovation.

3. The Context

The 2020-2021 time periods were a crucial and challenging one. The whole country went into lockdown because of COVID- 19 Pandemic and educational institutions were closed down for almost two years. The most challenging issue in the process of teaching and learning in the midst of pandemic was accessibility. The College taught all the students online, and conducted examinations and evaluations online as per the guidelines of North-Eastern Hill University to which it is affiliated. However, there were students who could not be reached because of poor network or total absence of it. This problem was addressed by sending to the students concerned recorded audio and video lectures and notes via WhatsApp. The students accessed the lectures and downloaded the notes by physically shifting to spots where network was available.

4. The practice (400 words)

The college envisioned that given the Covid 19- Pandemic situation, one of the best practices that it could practice was to keep teaching-learning in process in the way it would benefit the students and the teachers benefit to the maximum. Accordingly, programs were conducted, such as: (i) International Webinars on the topics Recent Advances in Science (30-31 June, 2020) and Sajinma-Sagop (Pandemic): Covid 19 and Culture (17 August, 2020). (ii) The College also organized National Webinar on the topics The Corona Virus era for tracing virus and battle against the Covid -19 pandemic (15 June 2020), National Webinar on Technology and Innovation on Education (3 August 2020), Approaches to Development: the Trajectory in International, Development (28 August 2020), Worldview of Tribes and Communities of North East (04 September 2020), Journalism at the Crossroads (05 September 2020), Importance of Political Economy in Economics (12 October 2020), etc. A Webinar on the topic Intellectual Property Rights and A World Environment Day Webinar on the topic Ecosystem Restoration Through Webinar (5 June 2021) were also organized only for the College (30 March 2021). Besides, Orientation Programme was conducted to the students of First Semester at their entry into Under-Graduate course (7 August 2020). A number of other programmes, such as International Women's Day (8 March 2021), Interactive Session with Shri Ram Singh, IAS, Deputy Commissioner, West Garo Hills and Jagdish Chelani, SDO, Dadengre Block West Garo Hills (11 March 2021), The English Language Day and the Birthday of William Shakespeare (23 April 2021),

International Labour Day (1 May 2021), Organic Farming for Sustainable Agricultural Production in Garo Hills (23 April 2021), Demo Session on Accreditation Data Management System Demo (21. 07. 2021), Talk on Digital Transformation: Limitless Possibilities (07. 10. 2021), Awareness Programme on Digital Library (01-02. 11. 2021) were also conducted by the College.

5. Evidence of Success

An analysis of the Review of the Practice above showed that 78.6% of the departments had organized Webinars/Programmes and 100% relevance is indicated as far as Webinars and other programmes are concerned. The attendance in the programmes in question was 90.9%. 54.5% feels that the programmes are very helpful, while 45.5% indicated that they are helpful. 100% of the reviewers stated that the programmes conducted by them has achieved its objectives and the same percentage would like to organize similar programmes in their departments and college in general in near future. When it comes to impact of the on students the indication is 54.5% stated that the programmes had impact on the students while 45.5% feel that they had no impact on the students. 54.5% of the respondents stated that the Programmes conducted by the departments and college have helped to increase knowledge, 36.4% stated that the Programmes brought about awareness of the topics in question and 9.1% stated that the programmes helped to foster team spirit in the department. 63.6% of the respondents stated that they would like such programmes to be made mandatory annually. The review is a very encouraging one and it may be concluded that the programmes conducted by the IQAC and the departments certainly are helping the college achieve the goals of teaching and learning.

6. Problems Encountered and Resources Required

Most of the programmes were held online. The greatest problem encountered in the implementation was poor and erratic internet connectivity.

The resources required were the physical gadgets, good network connectivity and of course Resource Persons.

Some of the programmes that were held offline when the lockdown was relaxed in between were Resource persons, halls, sound system, refreshments, and other miscellaneous needs.

Best Practice-2

1. Title:

Efforts to instill values for the over-all personality development of students during the Pandemic

2. Objectives:

The objectives of Best Practice 2 are fostering and celebrating the 'Unity in Diversity' of a Nation and to maintain and strengthen the traditionally existing emotional bonds amongst people of India. The miseries brought about by the Covid-19 Pandemic opened the eyes of educational institutions and those in the management that education needs to instill a sense of preparedness for all kinds of eventualities and disasters; that it must be all-embracing, taking within its fold not only the academics, but the social life, psychological aspects and the health and well-being of students along with the rest of communities. The practice aimed at an all-embracing sense of patriotism and responsible leadership, giving-personified by blood donation and appreciation of the heritage of our country.

3. The Context:

The Pandemic unearthed the basic human qualities like finding out ways and means of surviving and not giving in, care for others and staying healthy in mind and body. The regular online/offline classes and the programmes conducted by the college in general show resilient and forward-looking the spirit. The challenging issue was discipline spelled out in different ways- like staying home and having online classes, following the Pandemic protocol; but the biggest challenge was conducting online classes. First of all, no teacher or student was truly prepared for such online classes and there were serious issues of inaccessibility of network, power failure and lack of basic means of communication like smart-phones. Another challenge was to press for regular attendance and exercise delicacy in view of problems of communication, sickness, mental trauma, etc. However, the College went through it together, making effort every step of the way to include every student.

4. The Practice:

During the period of lockdown due to COVID-19 pandemic, the College got itself involved in contributing towards containing the pandemic and lent a hand towards ameliorating the situation. Three teachers from the college were inducted as special officers in the fight against Corona.

The College was used as a Quarantine Centre for students from Garo Hills returning from other states. The District Administration, West Garo Hills identified Don Bosco College, Tura as a safe place for the students and workers. Shri Ram Singh, IAS, Deputy Commissioner, with the issue of requisition order dated Tura the 21st April 2020 vide No. DOMA/WGH/COVID 19/2020/170 requisitioned Don Bosco College with immediate effect until further notice. An academic institution like Don Bosco College could not have been put to better use during a pandemic lockdown such as the one in 2020.

There were intermittent efforts to hold offline/regular classes; and during those times the College made efforts to instill in the students values for the over-all personality development. Accordingly, the college facilitated various programmes for cadets of National Cadet Corps to participate in - Online Ek Bharat Shrestha Bharat Camp organized by NCC Directorate- North Eastern Region in collaboration with the NCC Directorate, Delhi being the Guest State (7th July 2021), observation of World Earth Day (22nd April 2021), Observation of Swarnim Vijay Varsh as part of the Golden Jubilee of India's Victory in the 1971 war (27th April 2021), Cleanliness Drive of the Garo Labour Corps Memorial monument at Babupara, Tura (15th August 2021), Observation of Gandhi Jayanti (2nd October 2021) and International Day of National Disaster Reduction (13th October, 2021). The College also organized a number of programs under the flagship its National Service Scheme (NSS) Unit, such as - National Webinar on The Relevance of Mahatma Gandhi for the Youth of Today (3rd October 2020), Zonal Level Quiz Competition on HIV/AIDS organized by Red Ribbon Club, Don Bosco College in collaboration with The Meghalaya Aids Control Society (11th November 2020). In the year 2021, on 7th October, there was another Zonal Level Quiz Competition covering topics on HIV/AIDS & Tuberculosis as part of 'India at 75' celebrations.

The practice above is unique because it was all executed against the heavy odds of time constraint, with the belief in the need for all round development of students.

5. Evidence of Success

A Review done by the students on the above Practice revealed that out of the total respondents 60.5% are in National Cadet Corps and 39.5% are members of the National Service Scheme. Out of them, 16.3% all of the programmes, 74.4% have attended some of the programmes, while 9.3% have attended none of the programmes. It is heartening to note that 100% of the respondents affirmed that the programmes conducted as shown in the above practice is useful, that more students should join NCC/NSS and that the programmes helped them to become aware of the rights, duties and responsibilities as citizens of the country and help in building inter-personal relationships and team spirit. 83% of the respondents feel that they are receiving adequate inputs to be better human beings by being NCC/NSS member and 98.6% feel that Cleaning Drives help students to be aware of social responsibilities and give opportunities to display solidarity with the Nation-wide effort for "Swachh Bharat". 95.3% of the students who took the review stated that the programmes conducted for students help them to be focused on the goals that they wish to achieve.

6. Problems Encountered and Resources Required

The problems encountered in the process of the above Practice were Pandemic-specific. The problems accrued due to the constraints by the Covid-19 Pandemic. However, the College was able to come up with solutions and conduct the Programmes during the time when lockdown was relaxed.

The Resources required were mainly Resource Persons, venue, transportation for students and teachers-in-charge, and fund for fees for the Speakers/Experts, snacks, and miscellaneous items needed for conducting stage programmes.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Don Bosco College, Tura: Institutional Distinctiveness

2020-2021

Work Ethics

Don Bosco College, Tura with its motto "Pursuit of Excellence" is distinct for its work-ethics. The institution strives to objectify its motto by striving to achieve continuous and optimum level of teaching and learning. The effort to optimize this process is seen in a two-tiered assistance given on the part of the Management.

Accordingly, the Institute ensures that no class is left unattended. The students receive regular classroom teaching and supervision. The College has Committees that looks after the attendance and over-all discipline of the students.

At the second level the teachers are guided and supervised by the Principal and others in the College Administration. A congenial and responsible work-culture has been at force in the College ever since its inception. Everyone in College participates in the process of evolution through education. Supervision and care, in the true sense, is received by all. The basic sense of work added by the call to supervise, monitor and mentor according to one's position and level- call for accountability on the part of everyone. The year 2020-2021 had been an unexpected one but the College had risen to the occasion and had made extra efforts to keep learning as an educational institution.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The College is affiliated to North Eastern Hill University (NEHU), Shillong. The College duly follows and implements the curriculum prescribed and set by the University. The College prepares the Academic Calendar based on the calendar received from the University. The calendar is prepared for the whole college keeping in view the various departmental activities and maintained and followed by each department accordingly. At the beginning of the year, the Principal holds a meeting where the academic calendar and syllabus unitization for the year is discussed and a plan of action is formulated. There is a regular meeting of the management and the head of departments to discuss the progress and next plan of action for the effective delivery of the curriculum. Due to the Covid-19 pandemic and lockdown imposed by the State Government, regular offline classes could not be held for the entire year of 2020 and half of the year 2021. In order to ensure that the learning process continues, the college has adopted online mode as a method of delivering education. The College has used Google Meet App in order to conduct online classes. The teaching faculty facilitates the teaching-learning process by using Google Classroom, WhatsApp, email, etc.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The College strictly adheres to the Academic Calendar prepared by the Academic Committee based on the calendar received from the University, with dates set and fixed for the internal exams, external exams, and extracurricular events. Out of the total 100 Marks, 25 Marks are based on Internal Assessment conducted by the College where 10 Marks are allocated for Assignment and 15 Marks

for Internal Tests. The Attendance Monitoring Committee of the College regularly monitors student's attendance and the admit card for the end-semester exams is issued only to those students who fulfill the required minimum attendance. Special attention is given to cater to the needs of both the slow and fast learners. In the first week of every academic session an orientation course is conducted for the first semester students, to ensure that all the students share the same knowledge levels and everyone is at par with each other. Once the year commences, the teachers identify the slow learners and fast learners through direct and indirect assessment and take remedial classes (wherever feasible) for slow learners and arrange for additional support for advanced learners.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The College strives to provide a holistic education for the all round development of the students. It offers several courses which integrate crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into its Curriculum. The College offers various courses which have contents related to gender inequality, status of women, ethics and moral concepts such as good, right, duty and virtue, role of education in the development of human values, human rights education, sustainable development, human rights, value education, environmental ethics, role of individual in prevention of pollution, conservation of natural resources, conservation of natural resources, resources and their management with a view to integrate cross cutting issues relevant to gender, environment and sustainability, human values and professional ethics into the curriculum. In addition to the different courses it offers, the College has Green Club, Women Cell, and Anti Ragging, Dress Code and Discipline Committee which are entrusted with the task of creating awareness among the students on issues related to gender, human values and environmental issues making them socially responsible citizens. The NCC and NSS unit of the college conduct programs and activities which address issues related to gender, human values, environment and sustainability.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The admission policy of the college is deliberately made liberal (no cut-off marks for admission) so as to cater the students coming from the rural areas besides the students of Tura town. This is also because it is the only deficit college in town to offer Science and Commerce programs along with Arts program. In the previous years, entrance tests were conducted for students below a certain minimum threshold of marks to ensure a merit-based admission process as well as to test the apparently slow learners on their inclination and to recommend remedial measures but no such practices were conducted in the present session due to the pandemic. To provide ample opportunity for learning, the library remained open for certain hours even during the pandemic. Regular mentoring, both group and individual are conducted to assess the difficulties faced by the students in their learning and to suggest methods to overcome them. Departments are encouraged to organize seminars where the slow as well as the advanced learners get to develop their presentation skills and also to familiarize them with the usage of various online mediums. The topics chosen are from within the syllabus which has further utility in their semester exam preparation.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

With the advancement in technologies even the teaching methods are also evolving. With rapid change in technology, the institution is also coping with these changes. The students of the institution are prepared to face these challenges. In addition to traditional chalk and board methods, the institution is adapting to various ICT methods. For experiential learning, students are taken on field trips and study tours. Various local environmental problems are made to address by Final semester students of all streams by assigning them topics that requires site-visits which are done by the individual students themselves. Before the pandemic, students were encouraged to participate in various academic events such as Consumers' Day, National Science Day etc. Open book class assignments are used by many teachers as a method to boost the problem-solving methodologies of students and at the same time learn the social skill needed to work in groups. Students are also encouraged to make class presentations on topics from their respective syllabus.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

A survey was conducted to assess the use of ICT by the faculty and all respondents indicated use of multiple ICT tools like presentations using LCD projector, online video conferencing, mobile apps, blended learning platform like Google Classroom etc. The increase in the use of ICT by faculty is probably an outcome of the restrictions imposed on more traditional methods due Covid-19 pandemic; the faculties have tried to adopt a balanced approach keeping in mind the probable limitation of resources in students, a substantial chunk of whom are from rural areas.

2.5 - Evaluation Process and Reforms	
2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.	
<p>In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The Principal holds meetings with the faculties and directs them to ensure effective implementation of the evaluation process. Students are assessed continuously through various evaluation processes such as Internal Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Students appearing for 5th and 6th semester are asked to deliver the seminars of the concerned subject. Topics are given by their teachers to the students to prepare for power point presentation.</p> <p>For transparent and robust for internal assessment, the college has well-placed Internal Examination Committee, Internal Question Paper Setting by departments, Conduct of Examination under able supervision, Result display, Interaction with students regarding their internal assessment.</p>	

The method of internal assessment helps the teachers to evaluate the students more appropriately. Due to internal assessment, the interest of the student towards learning and attending the classes has been also increased. It has created the interest among the students to take active participation in various co-curricular and extra-curricular activities for their overall personality development. The seminar presentation improves the communication skills of the students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal assessment test schedules are prepared by the college and communicated to the students well in advance. To ensure proper conduct of the internal tests, minimum two invigilators are assigned to each hall from each department. Evaluation is done by the faculty members handling the course within a week from the date of examination. The corrected answer scripts at random are verified by HOD to ensure the standard evaluation process. Any corrections in the total of marks or assessment of answer scripts as identified by students are immediately done by the faculty members. Any student who is not satisfied with the assessment and award of marks may approach the concern HOD who can intervene and seek opinion of another course Teacher. The grievances during the conduction of internal examinations are considered and discussed in consultation with the Principal and the examination committee.

If a student is not able to appear for examination due to medical or any genuine reason examination is conducted for that student, provided that he/she submits application with proper documents. The Institute follows open evaluation system where the student performance is displayed on the notice board.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Although an affiliated college, the college is not directly involved in the process of syllabus preparation, but the college has in consultation with the faculty identified a list of skills and outcomes that a student on undergoing a particular programme for three years or a paper for one semester is likely to achieve. Apart from the marks obtained in the exam, this will help in the self-evaluation by the students as to whether they have achieved the promised outcomes after the completion of the course.

The PO and PSO are prominently shown in the website of the college, whereas the COs are communicated directly to the students in the class.

The CO are also kept along with a copy of the syllabus in the college library and are also displayed in a prominent location in the department.

The college ensures that the listed outcomes are achieved to the maximum extent and teachers are encouraged to monitor the progress in the achievement of the set goals through class assignments, class quizzes and internal tests.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college uses the results obtained by the students in their internal tests as an objective measure of the attainment of the PO, PSO and COs by the students. However, the ultimate yardstick for the assessment of the learning outcomes of a student remains his/her performance in the final examination of the university. Post declaration of results, analysis is done to delineate strengths and areas that need strengthening. Subjective measures like the interactivity of the students during class teaching

and/or quizzes are another way to ascertain the level of attainment by the respective teachers.

Other means of qualifying the level of attainment of students is through academic activities like class work, homework, assignments, student seminars, which are a regular feature of the academic activities of our college.

Post the assessment by a teacher, if and when requirements are felt, remedial measures like review classes, re-discussion on the relevant topics are conducted by teachers.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The current year saw a significant change in the way the extension activities are carried out by the Institution through

NSS and NCC units of the college to adapt to the changes caused by the pandemic to deal with the social issues and bring about holistic development in the students of the college. National Service Scheme of the College organized the following programmes: a National Webinar on the theme 'Relevance of Mahatma Gandhi for the Youth of Today' 3rd October 2020; World Earth Day was observed on 22nd April 2021 by NCC Unit which makes them aware of the climate change and its effects; Observation of Swarnam Vijay Varsh to commemorate the Golden Jubilee of India's victory in 1971 war by NCC cadets of the college instill a sense of patriotism and sacrifice for one's country in their young hearts and teach them about courage and bravery in the midst of chaos of society. Covid-19 Awareness Program cum Cleaning Drive at Babadam village by NSS volunteers inspires the students to adapt to the changing scenario and how to play a significant role in the society and help them develop life skills and leadership quality.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

In keeping with the motto of the College "Pursuit of Excellence", the institution provides adequate facilities for teaching-learning to orient the institution in general and students in particular towards achieving an all-round excellence.

There are:

1) 31 classrooms.

2) 6 Laboratories

3) 3 Laboratory Stores

4) 1 Library, 1 Reading Room, 1 General Staff Room, 1 NCC & NSS Office Room, 1 RUSA office Room, 1 IQAC Office Room, 1 Counseling Room, 1 Boys' Common Room, 1 Girls' Common Room, 1 Generator Room, 1 Boys' Toilet Block, 1 Staff Toilet Block, 1 Audio Visual Conference Room, 1 Computer Hardware Room, 1 Administrator cum Accounts Officer (AO) Room, 1 Sport's Room, 1 Security Room, 1 Examination Strong Room, and 1 Placement Cell

5) 16 Departmental Staff Rooms,

6) 2 Conference Halls,

7) 2 Computer Laboratory

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Don Bosco College, Tura is run by the Salesian Congregation whose founder Don Bosco used to urge his students "Run, jump, shout, but do not sin." The college believes in the all-round development of its students and believes that recreation grounds are places of physical relaxation, recreation and contribute greatly to sound personality development. Sports and games, both outdoor and indoor go a long in developing healthy mind in a healthy body. Accordingly, the college has made all efforts to provide recreational spaces for its students. The most prominent edifice in the college campus after the college building itself is the amphitheatre surrounding the basket ball court on three sides. Most of the cultural activities take place in the amphitheatre. There is a permanent Sports and Cultural Committee in the college and they make maximum use of the amphitheatre. The amphitheatre is most alive during college week days when one event after another is conducted here. Students get the opportunity to showcase their talents in singing, dancing, acting and even their fashion sense in this space. Besides this, there is a gym, and sizable space for indoor games. Academic programmes like seminar, debate, elocution are held in the seminar halls.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Library is integral for academic excellence. The main objective for setting up of library is to facilitate effective use of learning resources and to support the objective of the college.

The college library was established in 1989 and started with a few books donated by well wishers. The present library comprises two rooms: book room and reading cum reference room with a seating capacity of fifty users. The users include students, lecturers, research scholars and some visitors from other institutions. It is the nerve centre for reading and copying.

There are sixteen computers in the library; twelve for students one for the lecturers/research scholars and three for the librarian with internet facility. One photocopier machine and one computer printer is also installed to meet the requirements of the reader. The question papers of previous years in both soft and hard copies are also available in the library for reference by the students. The notes prepared by lecturers on different topics are also available in the computers.

The library houses a huge number of books collected over the years, which are categorized into reference books, book bank, and special or rare collection. The college has initiated the departmental libraries as an extension service of main library. There is a designated lecturer in charge of maintaining and issuing of books in the departmental library. The departmental collections are further enriched by personal books contributed by lecturers. The college can boast of collection of books on North East region, including those by local authors which helped immensely in research works.

The college subscribes to the Nlist and the subscription has been renewed till 2020 for accession of e-books or journal. The e resources of 32 GB donated by a well-wisher are also available for reference. Magazines and youth magazines are subscribed to inculcate the reading habits in the students. Journals are also subscribed for the benefit of research scholars who are pursuing research work in different fields. The library also houses a good number of reference books for competitive exams. The library maintains partial open access to teachers and students. The user

is allowed to browse through shelves and retrieve the books whenever required. The Reference Books are allowed to study inside reading room and to photocopy if necessary.

The library has installed KOHA 18.11.00.000 Software in the year 2020 which is found to be simpler for issuing/renewing and recording the catalogues of books, members etc. Students can check the availability of books in the library without much hassle. The library is expected to use barcode reader for issuing and renewing of books from the next academic session.

The newly constituted Library Committee comprises the Heads of Departments, the Principal and the Assistant Librarian. The Library Committee looks after the welfare of the library, offers suggestions and support for a more efficient library service. Construction of a bigger library on the ground-floor is on the anvil.

4.3 - IT Infrastructure	
4.3.1 - Institution frequently updates its IT facilities including Wi-Fi	
<p>IQAC ensures the updation of the IT facilities in the Institute. Following are the computer and internet facility made available to the faculty and students on and off-campus:</p> <ul style="list-style-type: none"> • Internet facility through Local Area Networking (LAN)&Wifi connectivity. • Fully automated office • Computerized office management system. <p>The laboratories and classrooms are equipped with projectors which help in delivering an effective teaching. Students and teachers can avail of the facility of internet so as to keep themselves updated with the latest developments in their respective areas. The teachers adopt various strategies in order to ensure a better teaching-learning process. Usage of projectors is in place to deliver effective and at the same time enjoyable learning experience to the students. Unlimited Internet facility is available in the library and also in the campus through Wifi</p>	

which enables the students to get access to a variety of learning materials online. The office and department computers of the college are regularly updated and latest antivirus devices are installed to keep the systems run at maximum capacity. The college has two professional staff to maintain the computers, Office automation software & website in the college. The Institute has fibernet connection with a speed of 50 MB/s and the Institution consumes around 100GB a month. The library and the administrative systems are fully automated. An IT team is also available in the campus which helps in any ICT-related need.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college has established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, and class rooms. These form part of the expected behavioral conduct and are associated with entry-exit, duration of use, maintenance, accepted forms of behavior in these spaces, etc. In general, good conduct and adherence to discipline is expected in all when these spaces are in occupation or in use. Laboratory, library, sports complex, computer rooms and class rooms are spaces that impart direct education. Sports complex is a very important component of Don Bosco system of education. These spaces are maintained clean and tidy so as to uplift the teaching-learning that is imparted and received here. Each of these spaces require systems and procedures that are common but at the same time distinct from each other. The College has established separate systems and procedures for maintaining and utilizing these physical, academic and support facilities which are uploaded in the College Website.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The College has a Student Welfare Association (SWA) which is actively engaged in all the activities of the college. The President and Vice President of the Students Council are invited in the meeting of the Academic council of the college whenever necessary.

In the administrative bodies the students of the Council are also actively involved in conducting various activities. The college tries to actively engage the student council members to develop their leadership qualities and to develop students' sense of

belonging.

They assist in maintaining discipline in the college by helping the teachers.

They are actively engaged in maintaining cleanliness in the college by motivating all the students to throw waste materials in the right places.

With the guidance of the teachers they conduct the Fresher's social, Parting social and College Week. They organize the Teacher's Day programme all on their own and cook sumptuous meals for the teachers at the same time.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

An Alumni Association is an association of former students of the college.

The Alumni Association of Don Bosco College, Tura was first formed on 25th February, 2011 as a local unit. A good number of past pupils have registered as members of the association with a sum of Rs.100 as a membership fee. The Association conducted the election and the office bearers were selected.

Though the Alumni Association was not much functional for the next five years, a meeting of the Association was organized on 2nd August, 2016. New office bearers were elected after fresh election. The motto of the Alumni Association was decided to be the one given by Father and founder, Don Bosco,

" KNOW, LOVE, HELP ONE ANOTHER AND KEEP UNITED".

The financial contribution of the Alumni Association to the institution during the last five years was less than a lakh. The Alumni association has 368 registered members. The total bank balance of the Alumni association was Rs. 23,444.00 as on 31st March, 2021. The college is planning to put more emphasis on the expansion of the Alumni association.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION

"Inspired by the benign and noble teachings of the Lord Jesus Christ who said,

"I am the Way, the Truth and the Life," and guided by the educational philosophy of St. John Bosco, the college has the avowed vision of bringing holistic, quality higher education within the reach of all."

MISSION

"To provide an education that is participatory in nature, intellectual competence, multi-skill oriented, value based and socially committed for the development of persons and enrichment of society."

COAT OF ARMS

The Coat of Arms of the college contains the motto of the college, "In Pursuit of Excellence" and three distinct components - sun, eagle and mountains. The radiant sun is the source, the giver that bestows light, energy, inspiration and divine guidance. The soaring eagle is the seeker that looks for all that is good, noble and uplifting in the world of knowledge, skills and values. The green mountains and valleys represent the process whereby the seeker ascends, descends and strives until he/she arrives at the top. True to our motto, we are passionate about excellence in every sphere of our academic, professional and social life.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

CASE STUDY OF THE ANNUAL COLLEGE WEEK

The Annual College Week reflects the decentralization and participative management practiced in the institution. The

decision to organise the Annual College Week is taken by the Academic Council where the date is fixed and later the Games and Sports Committee along with the Students Welfare Association (SWA) of the college is entrusted the responsibility to organize the same. The students, teachers and non-teaching staff work together in managing the events. The committees of the college week supervise the division of the various events. The teachers execute his/her task effectively. Each event is supervised by a teacher and co-coordinators to assist the supervisor and 2 SWA members. The Finance Committee allocates and disburses funds to the various events based on the budget prepared by the event supervisor. The Games and Sports Committee prepares a chart for various events and the person in charge (including teaching and non-teaching staff) and puts up on the notice board. The opening and closing ceremony of the college week is looked after by the Literary, Social and Cultural Committee.

Thus the effective leadership is visible in this college week such as decentralization and participative management.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Organising of National and International Seminars and Webinars

Organising of seminars and webinars by the various departments help an individual teacher expose to various topics through presentations and discussions and an ideal opportunity to equip oneself with wide range of knowledge in a specific field. It also helps to fulfil professional and academic goals.

Webinars are the latest term employed by most of the teaching-learning institutions. It helps the teachers to update their skills with the recent trends and technologies related to their respective fields. As there is an ample opportunity for the participants to attend webinars simply from home without spending money, it really benefitted the teaching faculties.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The College organization is composed of the Governing Body, The Academic Council, The Heads of the Departments, the IQAC and the College committees.

The Governing Body is responsible for policy making and strategic plans; while the Academic Council is responsible for proposals of the policies and plans for taking appropriate decisions. The Heads of the Departments are responsible for the implementation of the decisions in the department and reports to the academic council. The Internal Quality Assessment Cell (IQAC) is constituted in the institution under the chairmanship of head of the institution with teachers of academic unit and one or two members from administrative units and a few teachers and a few distinguished educationists/ representatives of local committee. The College committees are formed with convenors and it member to cater to the needs of the academics and non-academics.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

Don Bosco College, Tura has well-placed Welfare schemes for Teaching Staff. To begin with the College maintains Contributory Provident Fund (CPF) and Public Provident Fund (PPF). In order to aid the staff in times of dire need, there is provision for Loan facilities from the bank through Principal's recommendation to the bank and Loan facilities without interest from the Principal. The College also provides stimuli for advancement in academics among the teaching staff by offering incentives for College Financed teachers with B. Ed, M. Phil, Ph. D, NET. In a bid to keep abreast of the information technology and learning the college provides Wi-Fi facility to the teachers and the non-teaching staff. Other welfare schemes offered by the college include (i) Maternity Leave, (ii) Staff quarters, and (iii) Medical Care offered by the college in the forms of Eye Camp, Oral Checkup and other Medical Checkups

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institution has performance appraisal system for both teaching and non-teaching staff. Feed back in the form of questionnaires is prepared by IQAC and circulated to students of all the semesters. The students evaluate the performance of the teachers on various parameters. Besides, the Principal and Academic Council hold a meeting to analyze the result for every semester. The IQAC regulate, monitor and conduct Administrative & Academic Audit (AAA) to evaluate the performance of the department and the individual staff members.

With regards to the Semester Examinations, the Principal holds a meeting with the Academic Council to review and analyze the performance of students after the declaration of each semester results.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The College has worked out a resource mobilization policy and procedures in order to aid functioning and development of the institution. The college management collects development fees from students for college development needs. The college also mobilizes financial resources by renting DBCTE Seminar Hall and Basketball Court. Besides the above, the College also rents its Computer Centre to other institutions like Sikkim Manipal University, State Bank of India, Medical Departments etc. for conducting their exam. All the contributions and payments accruing from various sources are properly accounted.

The college also generates its revenues from Rubber Plantation. 5000 rubber trees were planted and the tapping of latex was done from the year 2018 and the management could generate Rs. 5 lakhs. In addition, the college also avails of the Chief Minister's Funds for excursion. The College gets small fundings to celebrate

various International days. For instance, the Social Welfare Department, Govt. of Meghalaya financially assisted the college for the celebration of International Women's Day. The District Administration too allotted some funds to observe the World Environment Day.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The two practices institutionalized by IQAC are:

1. Organising of National and International Seminars and Webinars

Organizing of seminars and webinars help an individual teacher expose to various topics through presentations and discussions and an ideal opportunity to equip oneself with wide range of knowledge in a specific field. It also helps to fulfil professional and academic goals.

Webinars are the latest term employed by most of the teaching-learning institutions. It helps the teachers to update their skills with the recent trends and technologies related to their respective fields. As there is an ample opportunity for the participants to attend webinars simply from home without spending money, it really benefitted the teaching faculties.

2. Encouraging of Faculty members to participate in online FDP, RC, OC, MOOCS, MOODLE

IQAC encourages the faculty members to participate in various FDP, RC, OC etc. so that it not only helps to gain their knowledge in their own disciplines but also to obtain wide information on various pedagogy, creating LMS and sharing ideas through participation in short term programs.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	View File

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The key function and role of IQAC is to ensure, monitor and regulate the mechanism of providing quality education to the students through effective pedagogy. The institutional reviews are obtained by conducting Academic Audits and by collecting feedback from students and teachers.

To begin with the IQAC Conducts Annual Academic Audits, wherein departments make an analysis of their Strengths, Weaknesses, Opportunities, Challenges (SWOC) of their performance based on students' results, any research projects taken up, course coverage and use of ICT-related pedagogical methodologies. Based on the audit, the Academic Audit Coordinator and IQAC gives constructive feedback to the Departments suggesting measures for internal quality enhancement.

In addition to this, feedback from stakeholders like students, and staff to facilitate teaching-learning reforms are procured which helps in obtaining an honest reflection about the teachers and the coverage of course contents especially in academics. Student feed-back on teachers is conducted regularly. A careful analysis of the feed-back received is done and communicated to the teachers to enable them to improve in the required area. The implementation of the above two practices help the departments as well as the institution to bring about reforms in teaching-learning process, structure, methodologies and learning outcomes. IQAC suggests innovative pedagogical methodologies

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute conducts regular gender equity promotion and gender-sensitization programs in various ways. The most relevant of such programmes is the celebration of the International Women's Day by the college, International Women's Day was celebrated on 8 March, 2021. On the occasion, the services of two women who the College Maintenance Staff - Smt. Lakji Sangma and Justa M. Sangma were acknowledged and they were given special honour as Chief Guests of the function. Tokens of appreciation were also given to them.

Gender sensitivity is an inherent value in the cultural ethos of the institute and its neighboring community, as is evident by the following facilities -Security guards at the college entries. Extensive surveillance network with 24x7 monitored control rooms. Strict implementation of Anti-Ragging, Anti-Smoking, No Eve-

Teasing and Mobile Free Campus. Separate hostels for women with dedicated wardens.

- The separate common rooms have been allocated for women in the college.

Additional initiatives ensure active participation of students in cocurricular activities including sports, quiz competitions, etc.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Don Bosco College Tura has reliable system for the management various types of wastes. The college has segregated waste into one part: College facilitates several techniques for the management of degradable and non-degradable waste. The college has waste-baskets for collection of various wastes like papers and food-packages, etc. There is a committee that deals with the minimization of wastes. Every day the waste is collected in bins and disposed at a place where it can be converted into manure.

For solid waste management different bins have been placed at different departments. This ensures that solid waste segregated at the source. It is also ensured that the recycling of all these components is done in minimum cost and labour. Suitable techniques are applied for disposing of solid waste. The garbage generated is preferably treated at the site of generation.

The college has set up a recycling programme to meet the need of recycling the waste. The college is trying to get in touch with the top level administration and their support to ensure that the waste is properly recycled. Moreover, the college is also looking for the possible substitutes to deduce the waste to the best possible extent.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college makes efforts and takes initiatives in providing an inclusive environment- resulting in tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities. Such efforts and initiatives get translated programmes detailed below: (i) 5 NCC Cadets from the college participating in the Online Ek Bharat Shrestha Bharat Camp on 6 and 7 July 2020, initiated by NCC Directorate North Eastern Region in collaboration with the NCC Directorate, Delhi being the Guest State. (ii) The NSS Volunteers of Don Bosco College organized an awareness programme on Covid 19 and Japanese Encephalitis (JE) collaboratively with the Babadam PHC at Chibrasongma village on the outskirts of Tura Town on 2nd October, 2020. (iii) Cleanliness Drive was also carried out in Chibragre Picnic Spot by the NSS volunteers. (iv) The NSS of Don Bosco College, Tura organized a National Webinar on the theme 'The Relevance of Mahatma Gandhi for the Youth of Today' on the 3rd of October 2020 and (v) "Interactive Session" with Shri Ram Singh, IAS, Deputy Commissioner, West Garo Hills and Shri Jagdish Chelani, SDO, Dadenggre Block West Garo Hills and the faculty members from Science Stream of the college on 11 March, 2021.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The Institution endeavors to inculcate values that will help students to become responsible citizens as reflected in the Constitution of India through programmes where the students of the college participated with great enthusiasm; such as- (i) Red Ribbon Quiz Competition organized by the Meghalaya Aids Control Society on November 11, 2020 and 18 November 2020, (ii) A training programme from 22nd to 26th February, 2021 by Meghalaya Battalion at Shillong for all NCC cadets. (iii) The election SWA (Students Welfare Association) leaders whereby the student body gets a share in the duties and responsibilities of the College. (iv) Cleanliness Drive of the Garo Labour Corps Memorial monument at Babupara, Tura on 15 August, 2021 by the NCC Unit of Don Bosco College, Tura. (v) A short farewell programme was organized for the outgoing NCC cadets on 27 September, 2021 as a token of appreciation for the services rendered by them.

The sense of responsibility of the college is proved when the college received the award "One District One Green Champion" from the Mahatma Gandhi National Council of Rural Education under the aegis of the Department of Higher Education, Ministry of Education, and Government of India for a green and clean campus.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice-1

1. Title:

Knowledge/Teaching-Learning Generated by the college during the Academic Period affected by the Pandemic

2. Objectives:

The objectives of the Best Practice 1 were to keep teaching-learning in process, to make the teachers and students keep in touch with various academic areas by conducting webinars on various topics mentioned below. The Covid-19 Pandemic gave rise to a lot of questions and the college made efforts to create greater awareness about the ongoing Covid 19- Pandemic, the recent advances in Science in general, to get acquainted with new technological knowledge and with technology comes innovation.

3. The Context

The 2020-2021 time periods were a crucial and challenging one. The whole country went into lockdown because of COVID- 19 Pandemic and educational institutions were closed down for almost two years. The most challenging issue in the process of teaching and learning in the midst of pandemic was accessibility. The College taught all the students online, and conducted examinations and evaluations online as per the guidelines of North-Eastern Hill University to which it is affiliated. However, there were students who could not be reached because of poor network or total absence of it. This problem was addressed by sending to the students concerned recorded audio and video lectures and notes via WhatsApp. The students accessed the lectures and downloaded the notes by physically shifting to spots where network was available.

4. The practice (400 words)

The college envisioned that given the Covid 19- Pandemic situation, one of the best practices that it could practice was to keep teaching-learning in process in the way it would benefit the students and the teachers benefit to the maximum.

Accordingly, programs were conducted, such as: (i) International Webinars on the topics Recent Advances in Science (30-31 June, 2020) and Sajinma-Sagop (Pandemic): Covid 19 and Culture (17

August, 2020). (ii) The College also organized National Webinar on the topics The Corona Virus era for tracing virus and battle against the Covid -19 pandemic (15 June 2020), National Webinar on Technology and Innovation on Education (3 August 2020), Approaches to Development: the Trajectory in International, Development (28 August 2020), Worldview of Tribes and Communities of North East (04 September 2020), Journalism at the Crossroads (05 September 2020), Importance of Political Economy in Economics (12 October 2020), etc. A Webinar on the topic Intellectual Property Rights and A World Environment Day Webinar on the topic Ecosystem Restoration Through Webinar (5 June 2021) were also organized only for the College (30 March 2021). Besides, Orientation Programme was conducted to the students of First Semester at their entry into Under-Graduate course (7 August 2020). A number of other programmes, such as International Women's Day (8 March 2021), Interactive Session with Shri Ram Singh, IAS, Deputy Commissioner, West Garo Hills and Jagdish Chelani, SDO, Dadenggre Block West Garo Hills (11 March 2021), The English Language Day and the Birthday of William Shakespeare (23 April 2021), International Labour Day (1 May 2021), Organic Farming for Sustainable Agricultural Production in Garo Hills (23 April 2021), Demo Session on Accreditation Data Management System Demo (21. 07. 2021), Talk on Digital Transformation: Limitless Possibilities (07. 10. 2021), Awareness Programme on Digital Library (01-02. 11. 2021) were also conducted by the College.

5. Evidence of Success

An analysis of the Review of the Practice above showed that 78.6% of the departments had organized Webinars/Programmes and 100% relevance is indicated as far as Webinars and other programmes are concerned. The attendance in the programmes in question was 90.9%. 54.5% feels that the programmes are very helpful, while 45.5% indicated that they are helpful. 100% of the reviewers stated that the programmes conducted by them has achieved its objectives and the same percentage would like to organize similar programmes in their departments and college in general in near future. When it comes to impact of the on students the indication is 54.5% stated that the programmes had impact on the students while 45.5% feel that they had no impact on the students. 54.5% of the respondents stated that the Programmes conducted by the departments and college have helped to increase knowledge, 36.4% stated that the Programmes brought about awareness of the topics in question and 9.1% stated that the programmes helped to foster team spirit in the department. 63.6% of the respondents stated

that they would like such programmes to be made mandatory annually. The review is a very encouraging one and it may be concluded that the programmes conducted by the IQAC and the departments certainly are helping the college achieve the goals of teaching and learning.

6. Problems Encountered and Resources Required

Most of the programmes were held online. The greatest problem encountered in the implementation was poor and erratic internet connectivity.

The resources required were the physical gadgets, good network connectivity and of course Resource Persons.

Some of the programmes that were held offline when the lockdown was relaxed in between were Resource persons, halls, sound system, refreshments, and other miscellaneous needs.

Best Practice-2

1. Title:

Efforts to instill values for the over-all personality development of students during the Pandemic

2. Objectives:

The objectives of Best Practice 2 are fostering and celebrating the 'Unity in Diversity' of a Nation and to maintain and strengthen the traditionally existing emotional bonds amongst people of India. The miseries brought about by the Covid-19 Pandemic opened the eyes of educational institutions and those in the management that education needs to instill a sense of preparedness for all kinds of eventualities and disasters; that it must be all-embracing, taking within its fold not only the academics, but the social life, psychological aspects and the health and well-being of students along with the rest of communities. The practice aimed at an all-embracing sense of patriotism and responsible leadership, giving-personified by

blood donation and appreciation of the heritage of our country.

3. The Context:

The Pandemic unearthed the basic human qualities like finding out ways and means of surviving and not giving in, care for others and staying healthy in mind and body. The regular online/offline classes and the programmes conducted by the college in general show resilient and forward-looking the spirit. The challenging issue was discipline spelled out in different ways- like staying home and having online classes, following the Pandemic protocol; but the biggest challenge was conducting online classes. First of all, no teacher or student was truly prepared for such online classes and there were serious issues of inaccessibility of network, power failure and lack of basic means of communication like smart-phones. Another challenge was to press for regular attendance and exercise delicacy in view of problems of communication, sickness, mental trauma, etc. However, the College went through it together, making effort every step of the way to include every student.

4. The Practice:

During the period of lockdown due to COVID-19 pandemic, the College got itself involved in contributing towards containing the pandemic and lent a hand towards ameliorating the situation. Three teachers from the college were inducted as special officers in the fight against Corona.

The College was used as a Quarantine Centre for students from Garo Hills returning from other states. The District Administration, West Garo Hills identified Don Bosco College, Tura as a safe place for the students and workers. Shri Ram Singh, IAS, Deputy Commissioner, with the issue of requisition order dated Tura the 21st April 2020 vide No. DOMA/WGH/COVID 19/2020/170 requisitioned Don Bosco College with immediate effect until further notice. An academic institution like Don Bosco College could not have been put to better use during a pandemic lockdown such as the one in 2020.

There were intermittent efforts to hold offline/regular classes; and during those times the College made efforts to instill in the

students values for the over-all personality development. Accordingly, the college facilitated various programmes for cadets of National Cadet Corps to participate in - Online Ek Bharat Shrestha Bharat Camp organized by NCC Directorate- North Eastern Region in collaboration with the NCC Directorate, Delhi being the Guest State (7th July 2021), observation of World Earth Day (22nd April 2021), Observation of Swarnim Vijay Varsh as part of the Golden Jubilee of India's Victory in the 1971 war (27th April 2021), Cleanliness Drive of the Garo Labour Corps Memorial monument at Babupara, Tura (15th August 2021), Observation of Gandhi Jayanti (2nd October 2021) and International Day of National Disaster Reduction (13th October, 2021). The College also organized a number of programs under the flagship its National Service Scheme (NSS) Unit, such as - National Webinar on The Relevance of Mahatma Gandhi for the Youth of Today (3rd October 2020), Zonal Level Quiz Competition on HIV/AIDS organized by Red Ribbon Club, Don Bosco College in collaboration with The Meghalaya Aids Control Society (11th November 2020). In the year 2021, on 7th October, there was another Zonal Level Quiz Competition covering topics on HIV/AIDS & Tuberculosis as part of 'India at 75' celebrations.

The practice above is unique because it was all executed against the heavy odds of time constraint, with the belief in the need for all round development of students.

5. Evidence of Success

A Review done by the students on the above Practice revealed that out of the total respondents 60.5% are in National Cadet Corps and 39.5% are members of the National Service Scheme. Out of them, 16.3% all of the programmes, 74.4% have attended some of the programmes, while 9.3% have attended none of the programmes. It is heartening to note that 100% of the respondents affirmed that the programmes conducted as shown in the above practice is useful, that more students should join NCC/NSS and that the programmes helped them to become aware of the rights, duties and responsibilities as citizens of the country and help in building inter-personal relationships and team spirit. 83% of the respondents feel that they are receiving adequate inputs to be better human beings by being NCC/NSS member and 98.6% feel that Cleaning Drives help students to be aware of social responsibilities and give opportunities to display solidarity with the Nation-wide effort for "Swachh Bharat". 95.3% of the students who took the review stated that the programmes conducted

for students help them to be focused on the goals that they wish to achieve.

6. Problems Encountered and Resources Required

The problems encountered in the process of the above Practice were Pandemic-specific. The problems accrued due to the constraints by the Covid-19 Pandemic. However, the College was able to come up with solutions and conduct the Programmes during the time when lockdown was relaxed.

The Resources required were mainly Resource Persons, venue, transportation for students and teachers-in-charge, and fund for fees for the Speakers/Experts, snacks, and miscellaneous items needed for conducting stage programmes.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Don Bosco College, Tura: Institutional Distinctiveness

2020-2021

Work Ethics

Don Bosco College, Tura with its motto "Pursuit of Excellence" is distinct for its work-ethics. The institution strives to objectify its motto by striving to achieve continuous and optimum level of teaching and learning. The effort to optimize this process is seen in a two-tiered assistance given on the part of the Management.

Accordingly, the Institute ensures that no class is left unattended. The students receive regular classroom teaching and supervision. The College has Committees that looks after the

attendance and over-all discipline of the students.

At the second level the teachers are guided and supervised by the Principal and others in the College Administration. A congenial and responsible work-culture has been at force in the College ever since its inception. Everyone in College participates in the process of evolution through education. Supervision and care, in the true sense, is received by all. The basic sense of work added by the call to supervise, monitor and mentor according to one's position and level- call for accountability on the part of everyone. The year 2020-2021 had been an unexpected one but the College had risen to the occasion and had made extra efforts to keep learning as an educational institution.

7.3.2 - Plan of action for the next academic year

The IQAC envisages the following plans for the Academic Session 2021-2022.

1. To start Local Area Network (LAN) connecting all departments, offices, library and IQAC with Administrative Block in order to save time and maintain accuracy in obtaining the data related to the college.
2. To start construction of a building (annexe) at the back of the main building with the aim to aim to shift the existing library to its ground floor; the auditorium on the first floor with rooms for permanent counseling centre and also some class-rooms. It is hoped that this construction will help increase the intake capacity of the students.
3. To upgrade and refurnish the Botany and Physics laboratories.
4. To install rain-water harvesting facility
5. To start Short-Term Certificate and Bridge Courses especially in Computer Skills and English Proficiency.
6. To fill in the sanctioned posts - 2 (two) in Philosophy and 1 (one) in English which has been lying vacant for many years along with the other recently vacant posts (both deficit and college posts).
7. To start Student and Faculty Exchange Programmes with other colleges especially with the colleges in and around the

Town.

8. To start a journal in literature, culture and translation.
